The @UN\_EWEC movement provides a model of transformative and effective partnership for development! On 25 September learn how EVERYONE can play a part in ensuring woman, child and adolescent can survive, thrive and transform the world. Join the discussion #EWECisME #UNGA

On 25 Sept, 200 high-profile global leaders and influencers will unite for @UN\_EWEC to galvanize political momentum and promote cross-constituency action, accountability and knowledge-sharing in support of every woman, child and adolescent. Follow the discussion #EWECisME #UNGA

Delivering the @UN\_EWEC Global Strategy calls for unity! And core @UN\_EWEC Ecosystem partners @PMNCH, H6Partnership and @theGFF are leading the way through common strategies and an integrated agenda for women, children and adolescents. #EWECisME #UNGA

Realising the goals of @UN\_EWEC Global Strategy & delivering the #SDGs means

✓UNITING around common strategies

✓Bold, innovative PARTNERSHIPS

✓Funding EQUITABLE HEALTH care to women, children and adolescents

✓Enhancing momentum for COUNTRY-LEVEL implementation

By helping countries accelerate scaled, smarter #investments in #RMNCAH & #nutrition, we increase their potential to achieve the #demographicdividend.

Through @theGFF Replenishment we can help countries close existing financing gaps in #health & nutrition. #EWECisME #UNGA

Bold, innovative #partnerships are crucial to deliver concrete results for the world's most vulnerable, including:

▫ building healthier, more stable communities

▫ vibrant economies, and

▫ resilient societies.

#EWECisME #UNGA

When we speak alone, we are only heard by some.

But together we can raise our collective voices to be heard around the world.

We must break down silos to ensure our efforts are sustainable, effective & inclusive—only then can we hope to achieve the #GlobalGoals.
