The Permanent Mission of the People’s Republic of China to the United Nations presents its compliments to the Executive Office of the Secretary-General of United Nations and, with reference to the letter dated 28 August 2015 from the Secretary-General of United Nations to H.E. Mr. Xi Jinping, President of China, has the honor to submit the China’s Commitment to the updated Global Strategy for Women’s, Children’s and Adolescents’ Health.

It will highly appreciated if the above commitment could be included into the compendium along with the updated Global Health Strategy.

The Permanent Mission of the People’s Republic of China to the United Nations avails itself of this opportunity to renew to the Executive Office of the Secretary-General of United Nations the assurances of its highest consideration.

New York, 22 September 2015

Executive Office of the Secretary-General of United Nations
New York
中国的承诺

中国将继续加大对妇女儿童健康事业的投入力度，持续实施农村孕产妇住院分娩补助政策，加强妇幼健康服务能力建设，继续降低孕产妇死亡率，努力消除新生儿和5岁以下儿童可预防的死亡。中国将积极推进婚前医学检查和孕前优生健康检查，继续实施好农村妇女叶酸增补等项目，提高产前筛查和诊断能力，加强新生儿疾病筛查和治疗。

深入推进妇女宫颈癌乳腺癌检查，逐步扩大项目覆盖面，让更多妇女受益。加强儿童重大疾病救治，结合实施城乡居民大病保险，提高医疗保障水平，确保白血病、先天性心脏病等大病患儿及时得到救治。扩大预防艾滋病、梅毒、乙肝母婴传播项目覆盖范围，预防艾滋病母婴传播基本实现全国所有县全覆盖，力争在孩子们身上率先实现“零艾滋”目标。做好流动妇女儿童健康服务，加强青少年生殖健康教育。做好儿童营养改善项目，着力改善贫困地区儿童营养状况。

作为联合国“每个妇女 每个儿童”倡议的中方合作伙伴，中国人民对外友好协会根据2014年与联合国签署的合作备忘录，在联合国“妇女、儿童和青少年健康全球战略”的框架下，与联合国秘书长办公厅紧密合作，发挥“每个妇女 每个儿童”倡议中国合作伙伴网络的国际多边合作平台优势，支持“妇女、儿童和青少年健康全球战略”落地中国，并鼓励更多中国力量参与妇幼健康领域的国际合作项目，推广中国在该领域取得的积极进展和有效经验，为全球妇幼健康事业作出新的贡献。
China’s Commitment

China will continue to increase investment on women’s and children’s health, implement subsidy policy for in-hospital delivery in rural areas, enhance capacity building for maternal and child health care service, reduce maternal mortality and strive to end preventable death of newborns and children under 5 years of age. China will actively promote pre-marital medical examination and pre-natal physical examination, continue to implement programs including folic acid supplementation in pregnant women in rural area, enhance pre-natal screening and diagnosis as well as newborn screening and treatment.

China will promote breast and cervical cancer screening and gradually broaden the program coverage to reach more women. China will strengthen treatment of major diseases of children, combined with implementation of severe illness insurance for urban and rural residents. China will improve the medical care to ensure timely treatment of children with leukemia, congenital heart disease and other serious diseases. China will expand prevention coverage of mother-to-child transmission of HIV, syphilis, hepatitis B, basically realize the full coverage of PMTCT of HIV in all counties nationwide, and strive to achieve "zero AIDS" target in children. China will improve maternal and child health services among migrants and strengthen adolescent reproductive health education. China will strengthen children nutrition improvement programs and efforts will be made to improve the nutritional status of children in poor areas.

The Chinese People’s Association for Friendship with Foreign Countries (CPAFFC) is Every Woman Every Child (EWEC)’s coordinating partner in China. According to the Memorandum of Understanding signed with the United Nations (UN), CPAFFC will work to leverage the collective strengths of EWEC China Partnership Network, as an international multi-stakeholder partnership platform, to improve women’s children’s and adolescents’ health under the framework of updated Global Strategy for Women’s, Children’s and Adolescents’ Health (Global Strategy) in China. CPAFFC is also committed to encouraging leading Chinese companies and organizations to join the international partnerships on women’s children’s and adolescents’ health, introduce China’s experiences in the relevant field, and making new contributions to the global women’s children’s and adolescents’ health.
